Negro Confesses To Horrid Crime

[By Associated Press]
INDIANAPOLIS, April 22.—William Ray, 19 year old negro arrested last night in connection with the murder last Monday of Martha Huff, aged
14, made a written confession of the
crime early today, according to a
statement at police headquarters. In
the statement Ray, according to the
police, tracted his movement from
the time he is said to have enticed
the girl from home by promising her
new clothes until after he had thrown
her body stripped of clothing into
Eagle creek.

Ray depied that he assulted the
girl, the police said, but admitted he der last Monday of Martha Huff, aged

girl, the police said, but admitted he had stabbed her in the neck with a pocket knife when she fought off his attempt to embrace her and scream-ed. A knife with bloody blade was found in his possession

Divine Sells Paper at Fitchburg, Mass.

FITCHBURG, Mass., April 22.— Announcement is made here today of the sale of the Fitchburg Daily News by James J. Devine to S. I.

News by James J. Devine to S. I. Newhouse and associates, of Bayonne, N. J., who will take charge of the paper at once.

Mr. Devine who was formerly reneral manager of the Clarksburg W. Va., Telegram bought the Daily News. last September and has made many improvements in the paper during his ownership. The circulation of the paper has more than doubled and the volume of advertising increased about seventy-five mer cent. seventy-five per cent.
Mr. Devine has not announced his

plans for the future, except that he will take a well-earned vecation with his family at Atlantic City and New York.

Like Most Mothers. Dorothy was told she must go to bed and her mother would come up later and kiss her good night. "But." she said, "suppose I am asleep?" She was told that would not make any difference. "But what if I have the covers over my head?" she asked. She was told her mother would kiss her anyway. "Well," said Dorothy, "she is some kisser."

Miniature Castle From Sandatone Carved from soft sandstone, a ministure medieval castle on a California beach faithfully represents a feudal fortress on a small scale. The model building stands on a diminutive hill that strikingly resembles the precipitous elevations upon which such strongholds usually were built. Serstrongholds usually-were built. eral styles of architecture are to be seen in the small castle, which was fashioned on a scale of one-fourth inch to one foot by a mechanical en-gineer who spent his leisure moments on the task.—Popular Mechanics Magazine.

Parrot Stole Diamond.

Parrots are interesting things. But one man down on Long Island has decided that his old polly has too many of the police when he heard polly bang-When a compensation of \$1,200 was ing it against the bars of her cage, received from the government the man. He remembered of the bird strutting time that he was relieved of his valuable pin.
